RELIABLY COMPLIANT

Employers face an ever-changing and complex legal environment. More than ever, it's essential to stay compliant with the increasingly complex state and federal employment regulations. With ComplianceHR's Navigator Suite, you can rely on cost-effective, expert guidance that's easy to navigate and delivered in minutes.

- » Co-developed by a former Department of Labor Wage and Hour Division Administrator
- » Backed by a proprietary database of jurisdictional case law
- » Fueled by the subject matter expertise of Littler Mendelson, the world's largest employment law firm
- » Strengthened by Neota Logic, a well-known artificial intelligence software developer
